

ARCHER

Change money

Cheryl,
To a real groovy
friend. It seems like
always been friends. It's just
to bad we have wasted all
this time. I hope we always
stay real good friends.

Luv.
(Carol - N - Jim)

I stay just
like you are!!!

Cheryl,
To a great
friend and classmate.
Remember all the good
times we've had. (Forget the bad ones)
And think of all the good
times ahead of us. Don't
ever change because you're
great the way you are.

Ever since man first existed, he has looked to the stars for guidance. Stars led him across barren deserts and raging seas. Stars led him to methods of measuring time and surveying land. Stars led him to the powerful principles of atomic energy.

And so we Archers have been led by our stars. As teachers, as students, as athletes, as leaders, there were some of us who were bright, guiding North Stars. There were others who were smaller stars, further away. But we remember that every star is shining and important somewhere, to someone.

We also remember that the light of a constellation reaches the earth years after it is radiated by the stars. Sometimes, a star may be lighting the earth even after it has disintegrated. With this thought in mind, we project ourselves into the future. Will we be stars? Will our light still be shining?

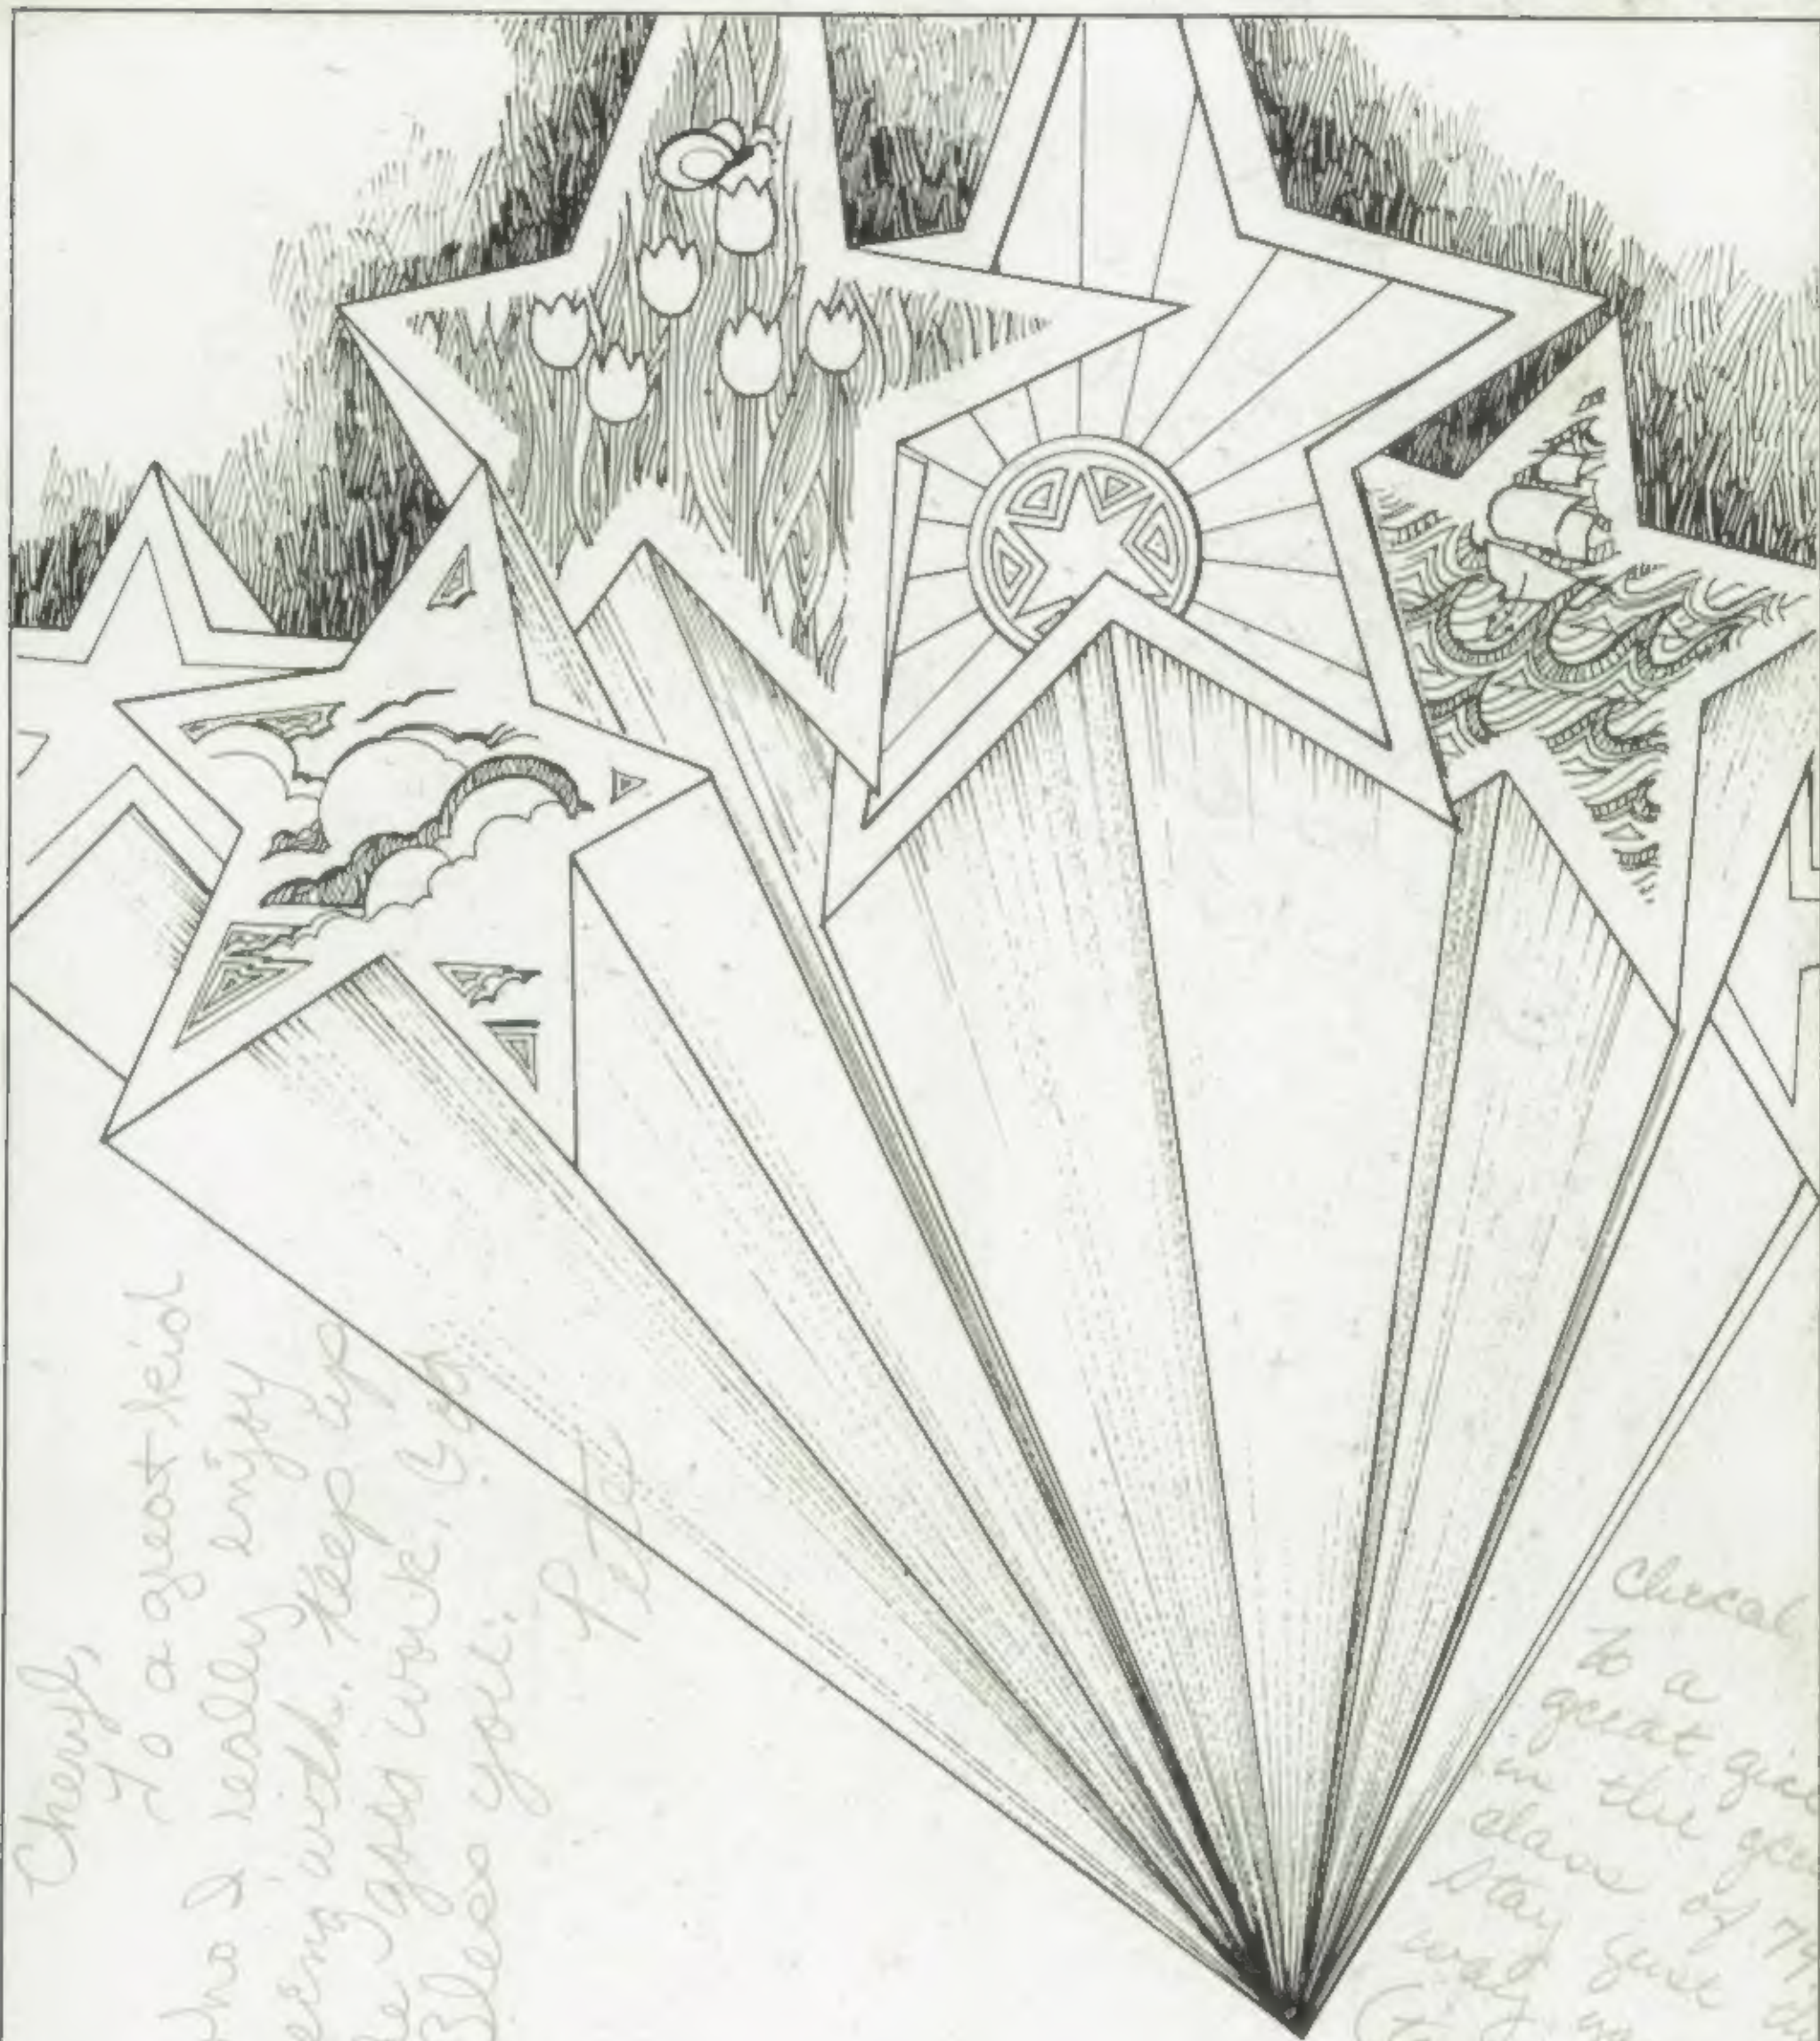

Not knowing, still wondering, we leave for you this record, asking you to turn your thoughts to 1970 and

STANDING: William Parrett, Principal; SEATED: Dale Adams, Superintendent.

A nucleus of activity, the main office staffs again met the demands of a society of 1,181 students and 52 faculty members.

Coping with common and crucial problems, directing the office personnel and supervising school functions, Superintendent Dale Adams and Principal William Parrett assumed the major burdens for this society.

1-When we first started
this book,

2-we enjoyed ourselves . . .

3-some of our pictures
were

4-pretty funny . . .

Archer Staff?

There were pictures that didn't get taken
(like Sandi's, Joyce's, Sheryl's, and Larry's)
and some got lost ?!

But on July 22 it was finished. So we
folded up our ink pad and put our stamper
away for another year.

Final copy was mailed to 1550 West
Mockingbird Lane, Dallas Texas with a
sigh of relief!

5-then we had to get busy,

6-why to pay for mother . . .

9-We moved on . . . still
friends!!

8-then "bright" ideas
would hit us . . .

7-sometimes things got tough . . .

Archer Pep Club

Pep Block Leader, ANGIE BILLMAN

Antwerp High School Pep Club worked throughout the season and especially at tournament time in building constructive spirit and promoting good sportsmanship. Many clever posters and spirit-building signs in the hallways were constructed by this group.

And the fans cheered on . . .

. . . lending support to the team.

First Team to Compete Since 1940

Forty candidates reported to head football coach Darrell Casey on August 17, 1969, for practice. This was the first call issued in 29 years here. The Archers competed on a reserve level for the '69 season and played their home games at Payne.

Assisting Coach Casey with the backfield was Ed Bell while Richard Eastridge and Dan Hutton worked with the line. Mr. Casey took charge of the offense and Mr. Eastridge headed the defense.

SEASON SUMMARY

The Archers opened at Hilltop. They were slow in getting started against the Cadets, but came on strong in the second half and rallied to win.

Against Payne, Antwerp's inexperience showed and the Archers were unable to cope with the powerful Panthers.

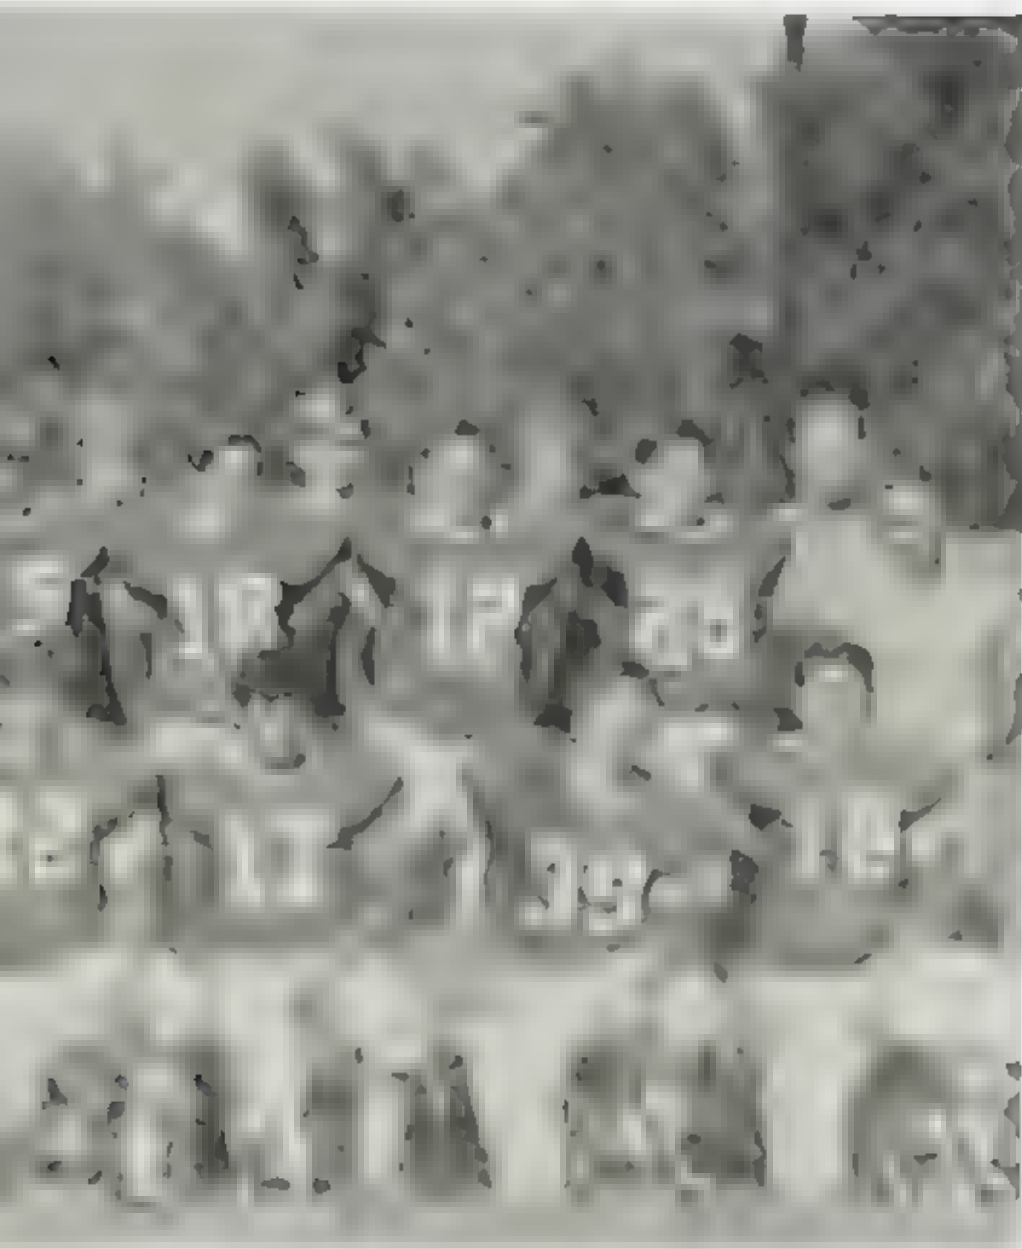

In the first five minutes of play, Steve Peters raced 80 yards to score against undefeated Patrick Henry. The Patriots had too much depth and won easily, but no longer were they unscored upon.

Several key players were sidelined with minor injuries and the team fell to the Hicksville Aces at Hicksville.

One of the finest team efforts of the year took place when the Archers offense fell in place and they ripped Hilltop by a wider margin than in the first encounter.

A dazzling passing attack was featured against the Crestview Knights. Coach Casey was able to give the younger boys some much needed game experience.

To beat someone else in a game, or to be beaten, may mean much or little . . .

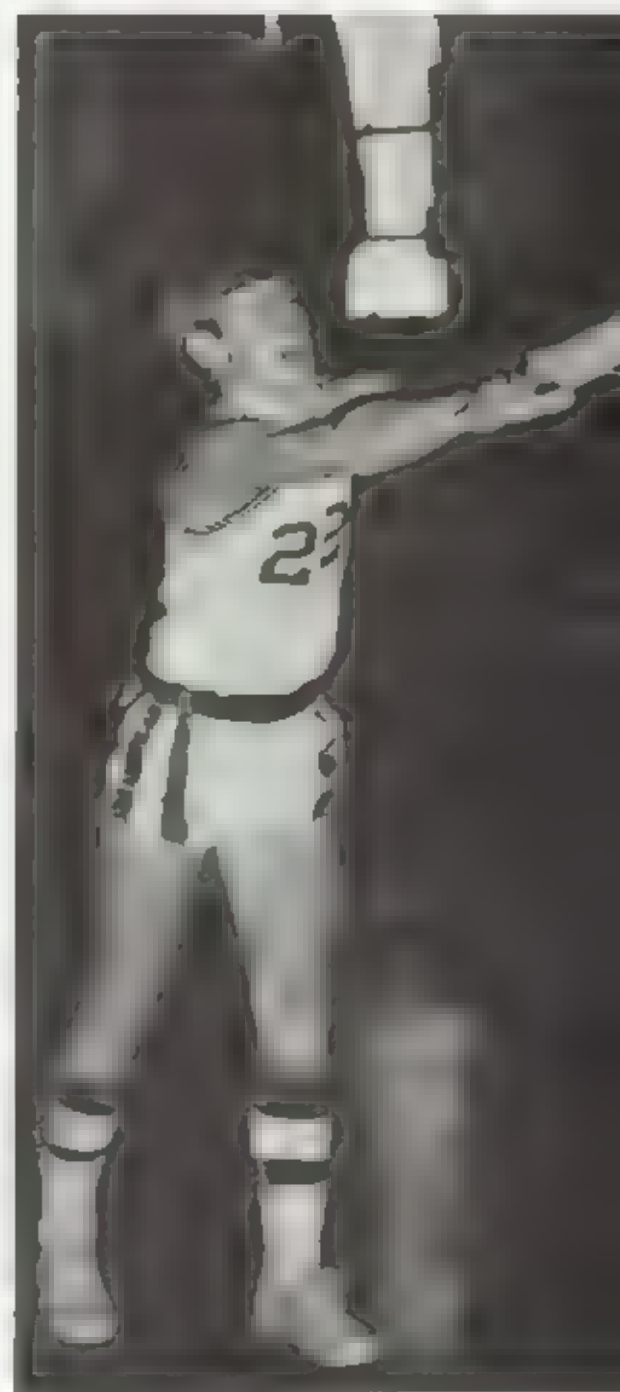

SCHILB

Jack Schilb, 6-0 senior, saw most of his action at a forward lot during the season. He is an extremely hard worker while on the courts. His point average . . .

SCHIATTER

Rick Schiatter started at forward this season. He is a senior and is an outstanding player in the forward position. He is the team's second leading scorer with 141 points for a 17.6 game average. Rick made the second team in the PCL.

RAMSIER

Neil Ramsier is also a senior and stands 6-0. He has started both as a forward and as a guard this season and ranks third in the scoring department. He is rated as the finest outside shooter on the club with 165 points and 17 points per game. Neil made the second team in the PCL.

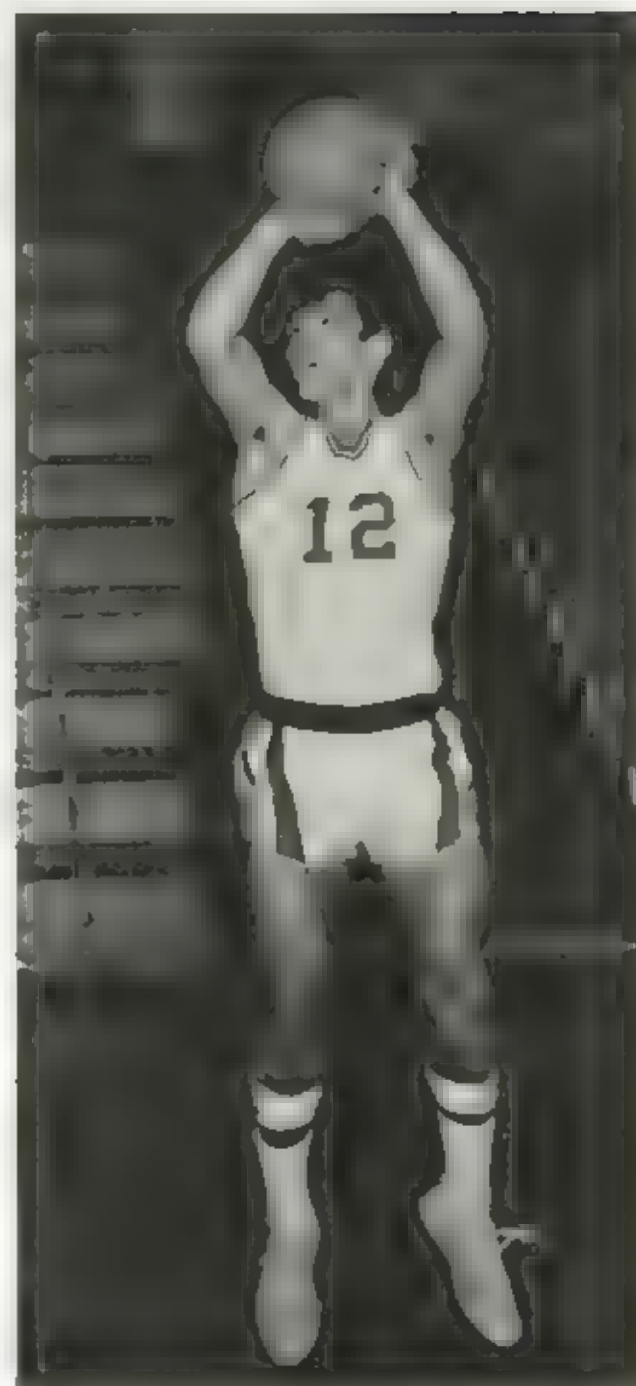

HUGHES

Randy Hughes, 6-0 senior, can go either at guard or forward and has played well in relief this season. Hughes is a fair shooter and rebounder. His point average is 1.4

PEFFLEY

Senior, Tim Peffley stands 6-11 and is a good shooter and jumps extremely well for his height. He has come on strong this season. His point average is 1.5.

PETERS

Steve Peters, 6-0 junior, is one of the best outside shooters on the squad. He has scored 300 points to lead the team in scoring and set a single game scoring record of 47 points during the year. He has a point average of 16.6. Steve made the first team in the PCL.

MILLER

Junior Dave Miller is the tallest member of the Archers as he stretches to 6-7 in height. How Dave goes usually tells how the Archers go. He is one of the leading rebounders and has been scoring at 8.4 points a game.

CULLER

Junior guard Mike Culler at 5-9 is the shortest player on the Antwerp roster. However, he has made himself known throughout the season as he has rebounded with the best of them. He is quick and one of the best defensive players on the team. His point average is 5.1.

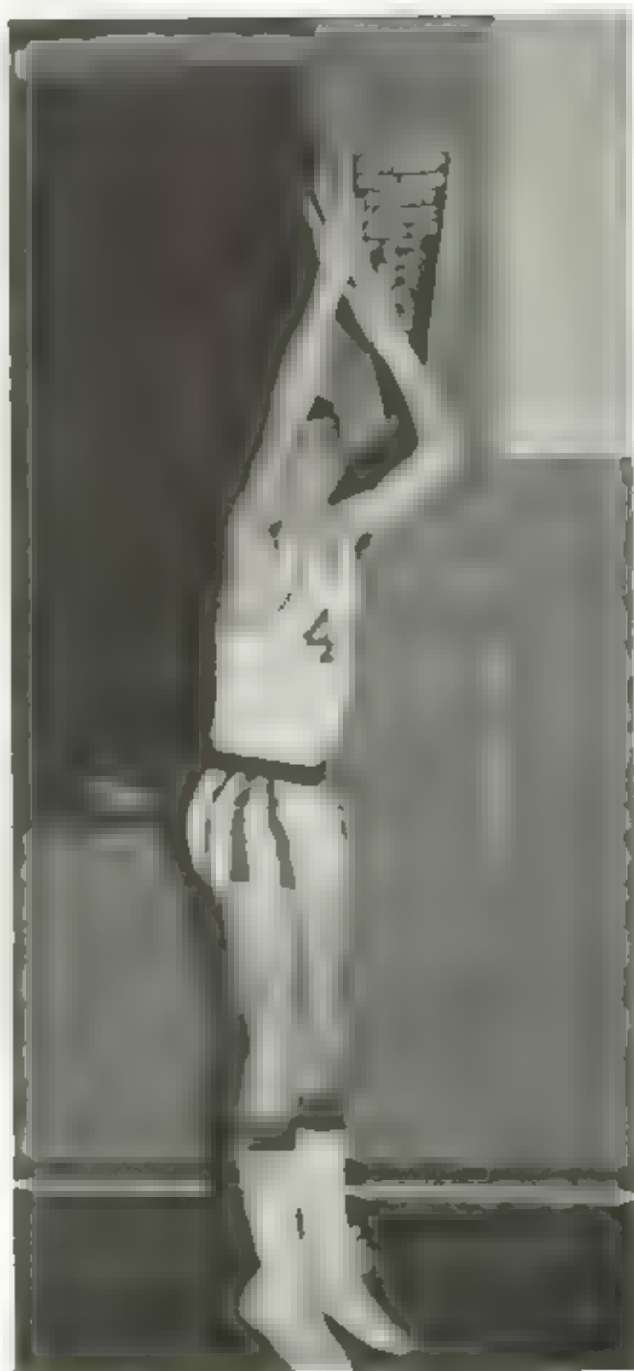

ATCHLEY

Larry Atchley, 6-3, Junior, can go either at center or forward posts. He has spent much of his time at a forward position and is a tremendous rebounder for his size. Larry is also a good shooter and carries a 5.7 game average.

SIGG

Tom Sigg, 6-0 junior, is a good driver to the bucket and is dangerous inside. He has spent all of the season shuttling between the varsity and reserve.

JONES

Ed Jones, 6-2 sophomore, is quite an outside shooter and can be a strong rebounder. He led the reserve team in rebounds.

To beat our
own game
means a
great deal . . .
